Noise Ordinance Form

In accordance of Section 9.93 of the City of Southport Code of Ordinances, persons may apply for a permit which addresses noises governed within the code. The applicant herewith is still regulated by reasonable and prudent levels of noise. This permit may grant applicant certain exceptions to specified noise levels. This permit does not grant applicant entitlement to disturb the peace and repose of a reasonable and prudent person.

Documented complaints of noise received by the Southport Police Department are sufficient cause to revoke this permit.
