

## Meet The Candidates

October 2, 2021

12:00 noon

Welcome..... Mr. Terrance Galloway

The Southport Unity Committee was organized in June 2019 by Terrance Galloway, Nelson Adams and Derrick Parker. In a discussion of where the direction of Southport was headed, we felt there was a need of an organization to be established to promote the following:

The mission and specific objectives and purpose of this organization shall be:

Bringing the Community and Organizations together for the following goals:

- to promote UNITY OF ALL RACES;
- to promote mentorship for youth
- to promote youth self-esteem
- to promote fellowship with educational, recreational and social events throughout the community

Our organization was established in June 2019.

So today, we have organized a "Meet the Candidates Forum" so we can ALL work together for the betterment of Southport. The community needs to understand what the plans and visions of each candidate, and to decide or consider who is the BEST fit for the future of Southport.
