- 1986-1995 Matlock

The Fort Johnston/Southport Museum has a room dedicated to the Southport filming industry. Listed above are only a few of the productions filmed over the years.

If Southport looks familiar, it's because of its long history with Hollywood. With the magnificent backdrop of massive live oak trees, Cape Fear River, ornate Victorian houses, historic Fort Johnston, and a friendly community, Hollywood calls Southport one of its finest filming locations.
