

## **PUBLIC NOTICE**

### **City of Southport Board of Aldermen**

The public will take notice that the City of Southport Board of Aldermen will meet on Thursday, January 14<sup>th</sup> at 6 pm at the City of Southport Community Building, located at 223 E. Bay St for the purpose of holding a public hearing on:

**Zoning Map Amendment  
RZ 20-1112-01  
Removal of Parking Overlay District**

The proposed zoning map amendment will remove the existing Parking Overlay District from the City's official zoning amp. As part of the proposal, only the overlay district is proposed for deletion. Removal of the parking overlay district will not change the parking regulations afforded to the property owners within the overlay district. The recently adopted UDO now includes parking regulations specific to the CBD, which does not require any off-street parking for changes of use, redevelopment, or new construction. The proposed rezoning includes 50 different parcels all of which are located within the City's Central Business District. If there are any questions on this matter, please contact the City Planner Thomas Lloyd at 910-457-7961 or [tlloyd@cityofsouthport.com](mailto:tlloyd@cityofsouthport.com)

The City of Southport does not discriminate on the basis of disability. If you need an auxiliary aid or service or other accommodation in order to attend or fully participate at this meeting, please contact the Clerk's office as far in advance of the meeting as is possible so that your request can be considered.

**Thomas Lloyd  
City Planner**
