

## **PUBLIC NOTICE**

### **City of Southport Board of Aldermen**

The public will take notice that the City of Southport Board of Aldermen will meet on Thursday, February 11<sup>th</sup> at 6 pm at the City of Southport Community Building, located at 223 E. Bay St for the purpose of holding a public hearing on:

**Zoning Text Amendment  
ZA 20-1112-01  
Removal of Parking Overlay District Language**

The proposed zoning text amendment will remove the existing Parking Overlay District language found in Article 3.3 A 1. As part of the proposal, only the overlay district language is proposed for deletion. Removal of the parking overlay district language will not change the parking regulations afforded to the property owners within CBD. The recently adopted UDO now includes parking regulations specific to the CBD, which does not require any off-street parking for changes of use, redevelopment, or new construction.

The City of Southport does not discriminate on the basis of disability. If you need an auxiliary aid or service or other accommodation in order to attend or fully participate at this meeting, please contact the Clerk's office as far in advance of the meeting as is possible so that your request can be considered.

**Thomas Lloyd  
City Planner**
