a. SPT DOS update – Randy Jones: SPT DOS is postponed due to COVID 19.– possibly reschedule in fall. Committee members feel that certain town flowerbeds and waterfront shouldn’t wait—play by ear –do in structured pop up sessions so we don’t violate possible restrictions in public areas. Public restrictions may change after city meeting on Thursday.

b. Sweatshirts – Tom Lombardi: Tom has ordered a dozen sweatshirts - range of sizes –along with 2 hoodies M & L Cape Fear invoiced Randy and money will roll out to the city

c. Waterfront planting update - Nick Kern: Plan 4 areas,-2 small 2 large. Nick has all plants, which are little blue stems and Muhly grass. Nick figures that 5 or 6 people could do the work and would like to start Friday, 3/20, and the work could possibly be done in 2 pop up work sessions. Randy wants to make sure he alerts public works and Heather. Estimates \$1,095 dollars for mulch.

d. Boat Donation update – Nick Kern: Tom in public works on for Wed., 3/18, 8am estimate boat arrive at the corner by noon & anchored down, 24 7 x4 ft will need cleaning & painting-plants in front of boat. Nick has had wonderful cooperation from public works- discussion follows: concerns with possibility of kids climbing on & in boat –liability- Suggestion to cover-with plywood or tarp covering, add signage since it is a work in progress –make sure adjacent property owner aware –(Thomas Lloyd may have already done that) Nick will talk with David Fox –about possibility to work on boat somewhere else, and Tom Stanley- regarding signage –Randy will talk with everyone at staff meeting- may not be worth doing if it is going to be problematic-continue to figure out best method. A motion was that we leave it up to the members of the staff meeting/city of SPT- Sharon seconded.

e. Committee Vacancy: Applications accepted through end of March 2020 A recommendation to Tom Lombardi. He and Bonnie and he will bring to the board of alderman. This is the same process for all committees. Bylaws state we do need a vice chair –
