<sup>1</sup>BEMC retains all fees applicable to the O&M contract.

<sup>2</sup>Charges for this activity are not included in the monthly ECAS bill to the City, therefore BEMC retains the fee.

<sup>3</sup>This is a cost reimbursement, therefore BEMC retains the fee.

<sup>4</sup>Costs do not include State Sales Tax, which will be added to each applicable fee.

<sup>5</sup>In addition, the Customer will be responsible for any extraordinary costs incurred while installing underground facilities, including, but not limited to:

- Cost of cutting and replacing pavement;
- Customer requested changes on type or location of construction;
- Protection of shrubs, trees, and/or grass sod, Reseeding and/or maintaining trench cover.
