Southport, NC – City of Southport government offices, buildings, and facilities including the city gym and parks, will be closed on Monday, February 2, 2026.

Previously released information:

Roadways throughout the city are impassable, including bridges and overpasses, creating dangerous conditions for motorists and pedestrians. The combination of deep snow and sustained cold temperatures presents a serious risk to public safety and emergency response operations.

City officials urge residents to remain off the roads, avoid unnecessary travel, and stay indoors whenever possible.

Residents are encouraged to:

- Stay informed through official City of Southport communication channels
- Check on elderly neighbors and those with special needs
- Use caution with heating sources and avoid carbon monoxide hazards
- Call 911 only for true emergencies

The City will continue to monitor weather conditions closely and provide updates as new information becomes available.

For the latest updates, visit www.cityofsouthport.com and follow the City of Southport on official social media channels.
